

## WELCOME BACK!

Welcome Back CDS Middle school! We hope you had fun during Chuseok break. We surveyed students regarding their break time activities. Here are images of the best (or most entertaining) answers from the 6th and 7th graders here at CDS:

### Upcoming Events

September 24th

CDS MS Girls Soccer  
@ CI

October 1st

CDS MS Girls Soccer  
@ TCIS  
CDS MS Boys Soccer  
@ CI

October 7th

We Run Cheongna

October 8th

CDS MS Girls Soccer  
@ APIS  
CDS MS Boys Soccer  
@ SFS

## Student Council Events

The Student Council held their first main fundraiser this Friday--Dress Down Day! Students paid ₩1,000 to dress casually. The money will go towards We Run Cheongna as well as the Halloween party. Looks like they are enjoying the day!

“There may be people who want to kick you to the ground, but there’s more people to catch you when you fall.”

# DALTON ★ CUP

## CURRENT STANDINGS

	Win	Lose	Tie
<b>Cheongna</b>	1		1
<b>Dalton</b>	1	1	
<b>Korea</b>		1	1
<b>Phoenix</b>	1	1	

We are two weeks into Dalton Cup competitions and the competition has been intense to say the least.

### September 6th Cheongna vs. Dalton (6 : 5)

Our first match of this year was very exciting. The girls settled with a tie, but the Cheongna boys outshined the Dalton boys in their game. Most of the students came out to the field regardless of their teams and had fun. It was really good to see lots of students with high spirits on the first match.

### September 8th Korea vs. Phoenix (10 : 20)

Team Phoenix had a big win this day. The girls were neck and neck, until the Team Korea girls dug deep and won by 1 point. On the other side of the field, the Phoenix boys really outplayed the Korea boys with their amazing kicks and fast runs. All the students were still cheerful and appreciated a fun game of kickball.

### September 20th Korea vs. Cheongna (8 : 8)

It was a really tight game. During the girl's game, team Korea claimed victory with an end score of 5 : 3. On the other hand, the Cheongna boys, due to 8B Grant's amazing home-run kick, ran fast and scored 5 points while Korea boys only scored 3 points. In the end, they were tied with total of 8 points.

### September 22nd Phoenix vs. Dalton (16 : 27)

Team Dalton definitely stepped up their game this time. The girls game was very tight. Both team did really well and Dalton won with an end score of 11 : 9. Dalton boys dominated the field with their great kicks and runs scoring 16 points within 2 rounds while Phoenix boys only scored 7 points.

We are halfway into the first Dalton Cup competition and have witnessed lots of cheers, enthusiasm and excitement in every match. In 2 weeks, we are going to have the championship match for Kickball league. Looking at the standings now, it can be anyone's game. Don't give up until the and keep the excitement rolling!

# Music is My Life 🎵

In Music this term, the 7th grade classes have been exploring the topic "Music in Your Life", where we have explored various aspects of places where music can be heard and how it influences people and settings. One component to our study has been exploring music's relationship with sports. We began this subtopic by learning about the role of music in American football and witnessed videos of American marching bands. We also learned basic marching fundamentals that are typically used in college marching bands. Then, students had the opportunity to work in small groups and create their own marching band drill design to share with the class during an "In-class Performance". Students worked together to figure out how they wanted their group to move and practiced verbalizing marching commands. The other aspect of our subtopic was to research a specific sport and discover how music is used during that specific sporting event. In pairs, students presented on ways that music can be heard at basketball games, ice skating, pro wrestling, and many more! Students also led the class in an activity that helped engage learning. As the term progresses, students will continue learning about the various ways that music is used, influences people, and can be heard each day! - Ms. Van Liew

# CDS Middle School Band

The first CDS Middle School Band officially started after school on Monday, September 5! Our group of eleven students came to band rehearsal with more than just their instruments. They came with great enthusiasm, excitement, and an attitude ready to learn! Over the next few weeks, we will be focusing on basic instrument procedures, how to finger correct notes, and most importantly, make a great sound. After just the second practice, students were able to play three notes all together and truly make the group sound like a band! This is an excellent start, but we still have lots to learn before our first performance on December 15. Throughout the school year, students will be working on "Earning their Stripes", which means they will receive a colored strip each time they correctly play a set of music exercises. Our goal is for everyone to have enough stripes to become a "Sergeant Major" at the end of the school year. The CDS Band is off to a terrific start and we all look forward to the growth that will take place this year! Go Band! - Ms. Van Liew

Dalton Distinguished. Congratulations!

**Cindy Shin**

Cindy is a new student at CDS this year and has integrated into the student body with ease. Cindy has a very positive and upbeat attitude. A look of friendliness and joy usually radiates from her face. Cindy also takes on classwork with enthusiasm and strong work ethic. One day in the cafeteria, she shared with a teacher that she was very excited to begin working on projects in her Science and Music classes. Regardless of your positive attitude and excitement for classwork, one defining characteristic of Cindy is that she is certainly willing to lend a helping hand. One day in Music class, there was a spill that was accidentally left by a previous class. Looking for a volunteer to help clean up the mess, Cindy boldly and confidently got paper towels and began cleaning up the mess without hesitation. On other occasions, Cindy has helped move supplies and is eager to serve the class. She certainly displays "leading by example" in her actions and attitude. Fantastic work Cindy! --Ms. Van Liew

Attention CDS Middle School! CDS cardigans are now available to purchase for ALL CDS students on the CDS uniform website. Just in time for fall weather! The official CDS cardigan is shown in the picture on the right. If you wish to purchase a CDS cardigan, please visit the [CDS uniform website](#) - CDS Administration

**COACH MORRIS:** "I hope to have a successful year in terms of improvement by the players. I've never coached in this league or with this group of students so I'm getting to know them more and more each day. I'm excited about this year and the future as I can see loads of potential. We're working hard each day to prepare for our first Jamboree, which is in the first weekend in October. My goal is to improve in each tournament and prepare the 8th grade students to move into the high school team seamlessly. If we come out of this season with smiles on our faces and with more knowledge of how to play this beautiful game I would count this season as a success!"

## 2016-2017 MS

# Soccer Predictions

COACH VAN LIEW & COACH MENZEL:

"We had three girls show up for soccer tryouts, but now we are nine players strong! The goal for this season will be understanding and mastering the fundamentals. Our first jamboree is coming up, and we hope to field a strong side that is not afraid to attack the ball. We truly are looking forward to getting to know each and every one of these girls."

Today is your whaaa?

Happy Birthday!

Birthdays from 9/23 to 10/2

G5 Hayden Lee (9/27)

G5 Aiden Son (9/26)

7A Yumin Ko (9/28)

7B Brian Jin (9/29)

8B Shirley Lee (10/2)

We wish you happy birthday :)
