CDS Middle school students council is doing an awesome job this year, creating fun and exciting events for students. They hosted 2 dress down days for We run Cheongna day event. Student council also sold donuts as a fundraiser and lots of kids enjoyed delicious snack on that day. On We Run Cheongna day, student council prepared different event for the whole Middle School: face painting, mafia game, dodge ball, soccer, corn hole, giant jenga and such. They also prepared lots of snacks students can buy after lunch. With the addition of student council event, We Run Cheongna was a lot more fun - Ms. Lee

Weaving Club

"We are cups,
constantly and
quietly being filled.
The trick is,
knowing how to tip
ourselves over and
let the beautiful
stuff out."

-Ray Bradbury

The weaving club recently completed their first big project. Using, yarn, markers, popsicle sticks, and a lot of creativity, the students fashioned dolls to look just like the teachers here at CDS! These dolls certainly caused school cheer as the teachers saw their essence displayed in doll form.

The students are trying to make a positive difference in the CDS community. They hope to bring more joy in the projects to come!

- Mrs. Bray

We Ran Cheongna

It was that time of the year that every CDS student secretly loves. October 7th was ‘We Run Cheongna’ day where every CDS MS and HS students ran between 2 and 5 kilometers. The purpose of this event is building *Community* while enjoying the beautiful scenery of Cheongna and getting some cardio exercise. This year, students were able to run in Cheongna’s famous Lake Park.

Mr. Parmar and Mr. Clem greeted MS students at the Lake Park. After a short greeting from Mr. Scoville, Dalton Cup team captains led warm-up stretching for each House. Then the first race began. G5 and G6 ran 2K. The first finisher was G6 Woojin Kim with a remarkable record of 7:27. Following him, G6 Daniel Hong and G5 Woojin came to the finish line. G6 Amy Yoon was the first girl to finish the 2K race with a time of 8:36, followed by G6 Jinyu Ogura and G6 Sarah Lee. G7 and G8 students as well as teachers and staff were very supportive and cheered for every student who came back to the finish line. G7 and G8 ran 3K. The first one to come back was none other than our president G8 Eugene Kang with a time of 11:36, followed by G8 Solomon Choi and G8 Grant Lee. The first girl to finish was G7 Lucy Seong with a time of 15:17. Following her was G7 Jiah Choi and G7 Linda Hwang.

Students that finished in the top 3 for each grade received medals, and the top male and female runners of each race received a trophy. CDS MS is so proud of all the students who participated in running and cheering. We hope to see more students have fun running next year as well. - Ms. Lee

Boys Soccer Team Update

October 1st @ CI

The boys had their first tournament at Chadwick. They lost the first game 2-0 but played much better the second half. After a couple position changes they were able to win the next two games 3-1 and 4-1 respectively. They controlled the ball much better and really played some great soccer. The Dalton defense and goalkeeper also had tremendous games. Going into the last game, confidence was riding high. Unfortunately, the boys weren't able to convert that confidence into a solid performance and they came away with another 2-0 defeat.

October 8th @ KIS

The Middle School boys had their second jamboree of the season at Korea International School on Saturday.. Their first game resulted in an extremely unlucky 1-0 loss. The second game was one to put in the past. The boys lost 4-0 and couldn't really get anything going. The last game was a flying success. Their 3-0 victory definitely could've been much more lopsided. Dalton did a great job of passing the ball around and working on the things they've been practicing. There's much more purposeful passing rather than just kicking the ball and hoping for the best. The Dalton boys will look to build on the success of the final game as they will be hosting next Saturday! - Mr. Morris

Girls Soccer Team Update

September 24th @ CI

The girls kicked off their season at the Chadwick Invitational. While they went 0-4, both coaches saw incredible improvement. Coach Menzel noted that, "Especially when you add in the fact that five of the girls had never played before, and knowing that we played one more game than everyone else there, I'd say we did pretty well."

October 1st @ TCIS & October 8th @ SFS

The week after saw them travel to TCIS, where they improved significantly--winning twice and drawing once. The week after, at SFS, provided an even split, with the girls winning once, losing once, and drawing once. The Dalton ladies have certainly been putting in the time, with most players staying after every single day to fit in extra practice. They will be looking to notch a few more wins when they host next weekend. - Ms. Van Liew & Mr. Menzel

DALTON ★ CUP

CURRENT STANDINGS

	Win	Lose	Tie
Cheongna	1		1
Dalton	1	1	
Korea		1	1
Phoenix	1	1	

Term 1 Dalton Cup came to an end. Here is what happened during last 2 weeks of Dalton Cup

September 29th: Cheongna vs. Phoenix (24 : 16)

Cheongna boys really stood out--scoring 14 points right away. With Solomon, a captain for Phoenix, missing the game, Phoenix boys struggled, but still managed to score 9 points. At the other end, the girls were evenly matched. 7 Phoenix girls made it home while Cheongna scored 10. It was also great to see both team shaking hands, hugging and laughing with each other, showing true sportsmanship.

September 30th: Korea vs. Dalton (17 : 19)

The last regular season game was intense. To borrow the words of Amy, Korea's captain, "Korea crushed Dalton" with a score of 8 : 4. However, the game was closer on the boy's field. Dalton beat team Korea 15 : 9. There were homeruns from both teams and the cheering crowd was very supportive.

October 4th: 3rd vs. 4th Final (20 : 20)

Team Korea and Team Phoenix matched up against each other. It was really an intense match. Both teams showed communication and collaboration. The team Korea girls beat Phoenix 11:7, while the team Korea boys lost 9:13 to Phoenix. Despite being level on points (tied at 20), because team Phoenix accumulated more points throughout the tournament, Phoenix was awarded 3rd place.

October 6th: Term 1 Championship (21 : 16)

Finally! The 2016-17 CDS Middle School's kickball champion has been decided. Just like all the other games, we had enthusiastic players and a cheering crowd out on the field on a very sunny day. Dalton girls dominated the game with a score of 15 : 6. On the boys side, Cheongna won 10 : 6 with great kicks and strong defense. With a total score of Dalton 21, Cheongna 16, Dalton is our first champion of this year.

For more than a month, everyone had fun with Dalton cup. We saw lots of communication amongst students and coaches, which built a positive and upbeat community not just during Dalton Cup but in the whole middle school. Dalton Cup will return in Term 3 with "World's Favorite Sports". - Ms. Lee & Mr. Menzel

In the history of Dalton Distinguished, we've only selected single students or pairs of students for the honor. However, this is the first time an entire class was nominated for Dalton Distinguished.

Congratulations to our first Dalton Distinguished Class!

7B

I'd like to nominate all of class 7B who have worked immensely hard towards their We Run Cheongna goals. At the beginning of the year, what started out as a daunting task to run just 3 laps all the way to 7-8 laps, they started to form mini running groups to push each other and challenge one another. Their times have decreased, running forms are more efficient, and they are having a lot of fun. Keep up the phenomenal job 7B!

-Mr. Parmar
