## Rising Rock-teachers in CDS

On Tuesday, March 22nd, CDS High school had their annual talent show where students can showcase their amazing talents in various fields. This year, some teachers surprised us with their hidden talents. ## CDS Fencing Team

On April 3rd, students in the Fencing Club went to a fencing competition hosted by the Incheon Fencing Association. Participants of the competitions were from various schools in Incheon including Chadwick who is known for their fencing program. Even though our students had limited practice time compared to other participants, our students showed their great fencing skills and got tremendous results. G9 Ryan Park placed second in high school league, G7 Eugene placed third in middle school league, and G5 Joohyuk made it to the quarterfinal in elementary school league. Other CDS participants also showed their great work on the competition, making CDS proud. We are very proud of all the participants! Great job boys!

Dalton Distinguished. Congratulations!

Eric Lee

Grade 7 student, Eric Lee, joined the CDS family in the 4<sup>th</sup> term. As a new teacher myself, I understand how difficult it can be jumping on board an already full steam train. Eric however makes transitioning seem like a piece of cake. He is an enthusiastic, hardworking student with a positive attitude towards learning, his peers and life. To Eric no task seems too big and he never shies away from tackling a project head on. Compliments to the soft spoken Eric with the kind heart, big smile and inspirational attitude.
