Candle light ceremony

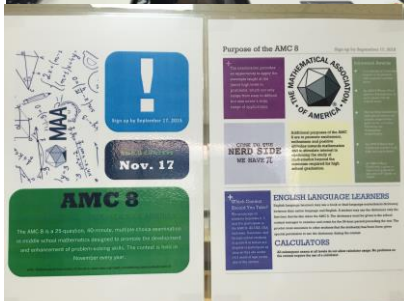

If you are not willing to learn, no one can help you.  
If you are determined to learn, no one can stop you

MATHEMATICAL ASSOCIATION OF AMERICA

# MAA

PARTICIPATE. INVESTIGATE. EDUCATE.

The AMC 8 (American Mathematics Competitions) is an annual examination in the US that recognizes and rewards excellence in mathematics for students in grade 8 and below. It is a 25-question multiple-choice contest and its goal is to increase interest in mathematics through challenging students with critical-thinking problems and rewarding top score students with certificates and pins. As students of an international school, 28 5th to 8th grade students at Cheongna Dalton School participated in the examination on Tuesday, November 17th. Not only are these students high-achieving math students in their math classes, but they also hold a concrete foundation of mathematics and prepared well for the 2015 AMC 8 with examinations from previous years. We are very proud of the 28 students for successfully completing the AMC 8 this year. We look forward to the scores which will arrive in early to mid-December.

## New Collaboration Between CDS and Incheon Public School Teachers

On November 12, six Korean English language teachers from Incheon public schools observed Mr. Scoville's and Mr. Cavasin's English classes. Following the observation, all teachers engaged in a rich discussion about how we can engage and motivate young people with student centered learning activities. CDS Middle School valued this exchange of ideas and looks forward to more opportunities to learn from one another in the future.

The Science Fair is an annual event with the aim of nurturing student's curiosity and interest in the sciences. It was hosted on the 13<sup>th</sup> November by the science department with great success. There were a wide range of submissions spanning all disciplines and every entry was to a very high standard.

Jasmine Kwon (G8) took the first place in the presentation category for an excellent talk on her home-made water filtration system. A close second were Grace Cho, Kate Kim and Tammy Lee (G8) with their talk on potato goo and non-Newtonian fluids. Finally, in third place were Eugene Kang, Andy Chang and Kevin Lee (G7) with a talk on the reflectivity of different cloud types.

The CDS science department would like to thank everybody who took part; it was a thoroughly enjoyable evening with lots of great science on show. Time to start planning for next year's entry!

## CDS Middle School BOOK WEEK

**Monday, 11/30: BOOK QUOTE DAY**

Decorate your locker with a book quote

**Tuesday, 12/1: BOOK SWAP DAY**

Give an old book, get a new book

**Wed. 12/2: BOOK CHARACTER DAY**

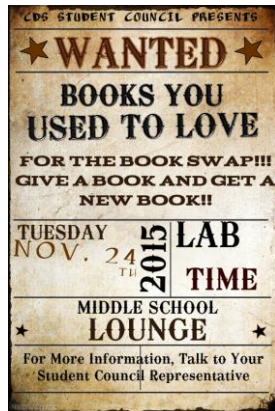

Dress up as your favorite book character

**Thursday, 12/3: LIBRARY NIGHT**

Food, books, raffle drawing, movie, and more!

**Friday, 12/4: BOOK JEOPARDY DAY**

Compete for Dalton Cup points

CDS Middle School Book Week is coming up right at the beginning of Term 3. During the week of November 30 to December 4, there will be many great activities for students to participate in and get excited about books!

Week-long activities will include: morning house book trivia with the chance to win a donut party on Friday, writing a progressive group story to be read on Library Night (each house will write one part), and the Book Week raffle (tickets go on sale November 23 and proceeds will be donated to Brother Felice Orphanage in Myanmar which Ms. Navarro will visit during the winter break).

Finally, the Book Fair will be held on Thursday, December 3 and Friday, December 4. Students and parents will have the opportunity to purchase books at the school and a percentage of the sales will go to the CDS Library.

## Best Moments of CDS MS

## Upcoming Birthdays

**G6 Nayon Lee (11/25)**

**G6 Sergio Minana (12/3)**

**G7 Evy Park (12/1)**

We all wish you a very happy birthday ☺

Dalton Distinguished. Congratulations!

## Jasmine Kwon

Jasmine Kwon has demonstrated hard work, dedication and a desire to have a positive impact on the lives of others this year. She has maintained excellent grades, while also showing leadership and creativity as treasurer of Student Council, helping to plan We Run Cheongna, fundraisers, the Halloween Party, and now she is working on project ideas to help homeless animals in our community. She is always there for her classmates when they are having a hard time and is also a very positive role model for other students. She is truly an example of the potential of CDS and always displays the 6 C's proudly.

## Final Exam Schedule
