# FP & G5 Badminton & Floor Hockey

February 4th, 2016

Dear Parents,

School sports are valuable opportunities for the students and something that we aspire to develop and support within the FP & G5.

FP & G5 Athletics opportunities are intended to run at three times throughout the school-year:

Fall Season - approx. September-November

Winter Season - approx. December-March

Spring Season - approx. April-June

Our current opportunities for FP & G5 Athletics are **Badminton** and **Floor Hockey**.

**What:** Badminton and/or Floor Hockey. These offerings will be available to girls and boys from G1-G5. Students can choose one or both. Students will practice skills while learning the fundamentals of the game. The focus is on fun, fitness, and sportsmanship. Students will practice and *scrimmage*, each week. If we have enough participants and enough interest, then we would like to eventually play 'friendlies' (fun/sportsmanship-focussed games) against other international school teams, but that is an end-goal and dependent upon having enough players and availability.

**When:** Winter Season; each sport will start right after the Seollal Break and will finish right before Spring Break.

Badminton will be on Tuesdays and Thursdays from 4:15-5:15. Feb. 11-Mar. 24 (15 classes)

Floor Hockey will be on Fridays, after school, from 3-4:30pm.

Feb. 12-Mar. 25 (5 classes)

**Where:** FP Gym

**Who:** supervising and coaching the students will be announced depending on the number of students playing. Mr. Hill, Mr. Parmar and Mr. Tronsgard are likely.
