August 7th, 2015

Dear CDS Middle School Parents,

Hello, my name is Ok Ryung Shim, the Middle School Principal. I will be working with Mr. Benjamin Scoville, the Middle School Director, and Jason Howell, the Assistant Middle School Director, to provide students with the support they need for a successful school year at CDS.

Especially, I would like you to be informed that I will do my best to help students to grow academically and develop the life skills they need to move onto high school and beyond. The CDS faculty has been working hard over the summer to create a learning environment in which all students can achieve their learning goals. We will discuss this in more detail during the upcoming Back to School Night event.

Please help your children to get ready for the first day of school by reading the information below and preparing accordingly.

Orientation for all Middle School students will be held starting from lab time through 5th period on the first day of school in Dalton Hall. **(For students only)**

Also, please join us for the 2015 -2016 Middle School **Back to School Night**. Please refer to the information below.

We look forward to meeting you soon.
